

## 9. APPOINTMENT OF REPRESENTATIVE TO BYLAWS REVIEW SUBCOMMITTEE

The Board considered a report seeking the appointment of a representative on a subcommittee to feed Community Board members' views into the review of bylaws.

The Board **resolved** to appoint Lesley Keast as its representative and Tony Sutcliffe as alternate on the Bylaws Review Subcommittee to collectively ensure that the views of the Community Boards are incorporated as part of the review process required for all bylaws under the Local Government Act 2002.
