PLAN CHANGE 27: RESIDENTIAL DENSITY IN NEW BRIGHTON

The General Manager Regulation and Democracy Services advised that Mr Mark Munro and the New Brighton Residents' Association had asked for speaking rights at the present Council meeting in relation to the separately circulated report regarding proposed Plan Change 27. He advised that the policy adopted by the Council in May 2004 provided that speaking rights would generally not be granted by any Community Board, Committee or Council meeting where the matter for consideration was a report which included a draft of a proposed Plan Change or Variation, which was being considered for formal recommendation to or adoption by the Council. He therefore recommended that the Council ask the two requesters to explain why the Council should depart from its 2004 policy, and grant them speaking rights for this purpose.

It was **resolved** that both requests for speaking rights be refused.

8. BLIGHS ROAD: VARIABLE SPEED LIMIT

Resolved: That the staff recommendation be adopted.

9. IPC ATHLETICS WORLD CHAMPIONSHIPS

- (c) The funding be conditional upon the securing of sufficient alternative funding by the organising committee from other external sources to cover the operation of the event.
- (d) The anticipated economic benefit to the city of at least \$10 million be verified by an independent feasibility study.
- (e) This funding be applied solely to areas that will maximise the positive legacy to Christchurch in hosting this event.

(Note: 1. Councillor Wells recorded her vote against clause (b) of the resolution.

2. Councillor Condon retired from the voting on this clause.)

- Report on Proposed Plan Change 27 relating to residential density in New Brighton

The Mayor advised that it had not been possible to include these reports in the agenda, as the required information was not available at that time, but that it was essential for the reports to be considered at the present Council meeting.
