

4. DEPUTATIONS BY APPOINTMENT

4.1 Englefield Residents' Association Inc.

Maxine Webb, Irinka Britnell, Robyn Kilty and the Reverend Hugh Bowron spoke on several items of mutual interest. Barry Cook (Senior Liaison Officer – Transport and Greenspace Unit) also contributed to the discussions covering:

1. Neighbourhood Improvement Plans including submissions to the Council on specific projects and the City Plan.
2. Protection for the Englefield Historic Area.
3. Out of Court Settlement 2001 – Englefield Residents' Association and Christchurch City Council City Streets Unit.

In **receiving** this information the Board noted that staff would follow up the concerns expressed, and that copies of the documentation provided by Englefield representatives from the Association would be distributed to Board members.

A walk about with the Board of the Englefield area will be arranged as part of Heritage Week.

4.2 New Zealand Police

Inspector Garry Knowles plus his community constables attended the meeting to brief the Board on recent policing in the Hagley/Ferrymead Community Board area, in particular a Police initiative, "Operation Hammer".

Inspector Knowles provided a briefing paper which outlined the background, purpose and phases for this high profile operation, and together with his team responded to questions from Board members.

The Board **received** the information.

4.3 Youth Consultation – Central City Programme

Mauice Roers (Senior Planner, Central City Policy and Planning Team) and Matthew Pratt (Metropolitan Community Adviser – Youth) attended the meeting and updated the members on consultation carried out with youth in respect of the central city programme (e.g. City Mall and Bus Exchange).

They outlined the considerable amount of effort made to consult and responded to questions from Board members.

The Board **received** the information.
