

## 2. CONFIRMATION OF MINUTES - COUNCIL MEETING OF 23.3.2007

The attached minutes of last week's Council meeting should be substituted for the draft minutes previously circulated.

The corrected minutes incorporate an amendment to the proposed salaries set out in the preferred post-election remuneration adopted by the Council, ie the minutes now record that Council voted on a proposed salary of \$28,526 for Community Board Chairs, although this figure was subsequently found to be incorrect, and should have been \$31, 925.

A further report on elected member remuneration will be submitted to the 26 April 2007 Council meeting, to enable Councillors to revisit the preferred post-election remuneration option, using the correct salary figures.
