

9. KESWICK STREET - STREET RENEWAL PROJECT

The Board considered a report seeking approval to proceed to final design, tender and construction of the Keswick Street - Street Renewal Project.

Details of the results of the consultation process were contained in the report and the feedback had indicated strong (with some comments) support for the project.

The Board **resolved**:

- (a) To grant approval for the proposal shown in Attachment 1 of the report to proceed to final design, tender and construction.
- (b) That the stopping of vehicles be prohibited at any time in the following locations:
 - (i) On the western side of Keswick Street commencing at its intersection with Mackenzie Avenue and extending 18 metres in a southerly direction.
 - (ii) On the eastern side of Keswick Street commencing at its intersection with Mackenzie Avenue and extending 18 metres in a southerly direction.
 - (iii) On the western side of Keswick Street commencing at its intersection with Sullivan Avenue and extending 10 metres in a northerly direction.
 - (iv) On the eastern side of Keswick Street commencing at its intersection with Sullivan Avenue and extending 10 metres in a northerly direction.
- (c) That staff be thanked for the consultation process undertaken for this project.
