

### 3. DEPUTATIONS BY APPOINTMENT

#### 3.1 TREES IN EDGAR MACINTOSH PARK

Brendon Biggs and John and Jean Hodgson were in attendance to request that two trees in Edgar MacIntosh Park bordering their properties be removed. They related a history of requests to have the trees removed since 1989. Correspondence between the Council and Mr and Mrs Hodgson was tabled which dated back to 1989. In 2002 the Council undertook a consultation of the local area as to whether or not the trees should be removed. From the ten responses received all but one agreed that the conifers could be removed.

A decision in this matter is recorded under clause 10.
