

7. ROLLESTON AVENUE – PROPOSED RELOCATION OF AN EXISTING METERED MOBILITY PARKING SPACE

The Board considered a report seeking its approval to relocate an existing metered mobility parking space outside the Canterbury Museum, Rolleston Avenue.

The Board **resolved:**

- (a) To revoke the existing restriction, which limited the parking of vehicles to those displaying an “operation mobility card only” be revoked on the western side of Rolleston Avenue from a point 32 metres south of the Worcester Street intersection and extending 5.4 metres in a southerly direction.
- (b) That the parking of vehicles be limited to those displaying an “operation mobility card only” on the western side of Rolleston Avenue from a point 37.4 metres south of the Worcester Street intersection and extending 6.5 metres in a southerly direction.
