

## 1. DEPUTATIONS BY APPOINTMENT

### 1.1 VALERIE CRICHTON – KINSEY TERRACE UPGRADE

Mrs Valerie Crichton voiced concern that a small pocket of mature planting including a mature Kowhai, was under threat outside her property, 18 Kinsey Terrace.

The Board **decided** that an inspection of the improvements currently underway at Kinsey Terrace take place in company with the Council's Project Manager and a representative from the contractor.
