

3. BOARD MEMBERS' INFORMATION EXCHANGE

Board members discussed current issues of interest in the Board's area. Specific mention was made of the following matters:

- A concern about cars parking on the berms in Whiteleigh Avenue and creating damage to the berms.
- The level of reporting from Community Development and Engagement staff to the Board, with some members expressing a preference for more substance to the reporting made to the Board. The Chairperson undertook to raise this matter at the next Board Chairs meeting.
- The Chairperson noted that via Board Chairs, the community boards had been requested to nominate two members to the Council's Special Amenity Areas Working Party. As Councillor Sue Wells was already on the working party, it was **agreed** that the boards' representatives should be from other parts of the city. It was noted that Peter Laloli, Megan Evans and Jeremy Agar have been mentioned as possible nominees.
