

16. NOTICES OF MOTION

The following notice of motion is submitted by Councillors Sally Buck and Mike Wall, pursuant to Standing Order 3.10.1:

“Acknowledging the long time delay of over two years regarding a decision about the surplus road land at 173 Clyde Road, Fendalton, we urge the Council to consider granting the applicant’s request to purchase the surplus road reserve land outside his property, prior to the Road Stopping Policy coming back to the Council for approval.”

Note:

1. This matter relates to a recommendation from the Fendalton/Waimairi Community Board meeting on 20 May 2008, which was deferred at the Council meeting on 12 June 2008.
2. It is anticipated that the Road Stopping Policy will not be reported back to the Council until early 2009, following consultation with the community boards.
