

1. **PROGRESS REPORT ON CITY PLAN PROGRAMME 2008-2009**

The Committee received a report on progress against the 2008/09 City Plan work programme. The Committee discussed the programme, including the status and progress of several projects. As noted in the report, staff intend to provide the Committee with the proposed 2009/10 programme at its June meeting.

The Committee **decided** to receive this report for information.

The Committee were in favour of holding monthly workshops on planning issues.
