

6. RESOURCE MANAGEMENT AMENDMENT ACT BILL 2009 - SUMMARY OF KEY CHANGES

The Committee received and discussed a list of key changes from staff regarding relevant changes to the Resource Management Act 1991 as a result of the Resource Management Amendment Bill 2009, which was enacted on 1 October 2009.

The Committee decided to receive this report for information.

The Committee suggested to staff to investigate effective communications around the more important changes to the Act.
