

ELECTION OF THREE (3) WIGRAM WARD MEMBERS OF THE RICCARTON-WIGRAM COMMUNITY BOARD

Tony KIDD

Alliance for Christchurch 2021

I am employed as a teacher of students with special needs at the Waitaha Learning Centre in Templeton. I am married with pre-school and school-aged children. My priorities include fostering community spirit through the provision of adequate community facilities and social support. I am also keen to encourage local business development and employment. Another challenge is to solve Christchurch's energy and environment problems in a fair, equitable and commonsense way. Through my experience in the trade union movement, in sporting and community organisations, and through employment with a number of government departments (including Child Support, Student Services and Community Probation Service), I have a good understanding of local community concerns, issues and aspirations. I am keen to make Christchurch a healthy city that cares for its community. I want us to make decisions for the present that will benefit the future. Phone 329 5411.

Wigram Ward deserves and needs strong, reliable, energetic representation. I seek your support for my re-election for a fourth term as your representative on the Riccarton/Wigram Community Board. As Chairperson of the Community Board I have always listened to and worked at the issues that have been brought to the Board. In most cases we have found solutions that the Board was able to implement. In other cases, we have made strong representation to the City Council on your behalf. I wish to continue to make Wigram Ward, including Templeton and Halswell communities, a more pleasant place to live. Land redevelopment, the associated traffic and social issues, and community safety are my focus at present. Protecting our environment is always uppermost in my mind. I am totally committed to our Community and will continue to work tirelessly for you. I treat your concerns as my concerns. Phone 3499438

Kia ora. I hope to bring about a positive attitude within our local community. I am Maori, and I live and work in the Wigram Ward area. I see my main interest is with people and their issues, with an emphasis on the younger members of our community. I chair the Wigram Residents Association, have experience as a youth leader and enjoy working alongside younger people. I can bring an appreciation of cultural differences to our community and will work hard to make all cultures and races feel at home. As our city grows, we must work hard to prevent pollution and maintain a healthy environment. I have worked with the Police as a Maori Warden and have interests in martial arts, sport, art and music. I have a strong heart for people and know how to listen to and understand their concerns. Phone 349 6218.
