

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Shirley/Papanui Community Board

Aaron KEOWN

Christchurch City Vision

Ratepayers, our city council needs a shake up! Its time to have a real clean out and get some new ideas into council. We only get to do this every three years so I'm asking you to make your vote count.

I'm Aaron Keown and I need your vote if you want change. I'm a born and bred Cantabrian. I'm married with a two year old daughter and I own a small business.

As part of City Vision we intend to tackle the following issues immediately:
Keep rates at or below the rate of inflation. Tackle crime head on especially graffiti and boyracers. Get traffic flowing around the city and give our city a real vision for the future. Its time to stop spending on the frilly stuff and get the basics right. I'm going to put a stop to the rise in rates, crime and damage to the environment.
