

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Riccarton/Wigram Community Board

Amelia DALLEY

Christchurch 2021

My vision for my community is one that is sustainable, safe and a great place for people to work and live. I will work hard to ensure that communities work together to achieve positive outcomes to issues. I intend to tackle traffic congestion, pursue sustainable development and strengthen opportunities and activities for younger citizens. These

issues affect all of us and they are vital to achieving the vision of a better community.

I grew up in Amberley and enjoyed working for the community as a Volunteer Fire Fighter. Since moving to Christchurch to study Political Science and Geography I have become involved in organisations, such as Rotaract, that enrich the community through volunteer work.

I would like to acknowledge 2021 for selecting me as a candidate. It is an honour to stand with such a fantastic group of people.
