## Election of FIVE (5) Members of the Riccarton/Wigram Community Board

---

### **Andrew TOMLIN**

*Independent*

Andrew, married with three adult children, all his 56 years resident in this ward. From attendance at Hornby Primary School to his current role as a Director of Riccarton Chartered Accountants, Ainger Tomlin Ltd, he has accumulated a good understanding of our community, its issues and needs. Community awareness honed with being a Trustee of Horizons Day Options Trust, Christchurch-Little River Rail Trail Trust, Eureka Gaming Trust , membership of Hornby Rotary and other organisations. Keen on urban renewal/infill rather than ever expanding suburbia intruding into open spaces, but mindful our area has a huge resource of commercial land presenting employment opportunities and with that, also monitoring issues of where we work and play. Values his independence, a good listener and with financial skills will effectively contribute to our ward's governance in an even-handed manner for the interests of all residents and ratepayers.
