

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Spreydon/Heathcote Ward

Barry CORBETT

Independent

Proud father of Paul (Broadcaster in Whakatane) and Kelly (Cashmere High), I'm completing my third term as your City Councillor.

A former radio and TV host, and communications officer for the Christchurch City Mission, I'm chairman of Eureka Trust, and a director of Christchurch City Holdings Limited, the Theatre Royal and the Canterbury Sports Foundation. These

positions have educated me into a greater understanding of, social and community commitment, business, the arts and sport.

As an independent, I'm not answerable to any political party. I listen to all arguments and I make my decisions on what I believe to be the best for Christchurch. My mission has always been to make 'the best possible decision for the lowest possible price'.

I'm a 'listener' and love dealing with residents regarding their concerns, because fixing the little things as well as dealing with the big issues will keep Christchurch great.
