

CHRISTCHURCH CITY COUNCIL

Election of Mayor

Bob PARKER

Independent

I was born and bred in Christchurch and returned 18 years ago.

I am non-aligned politically believing party politics have no place in local government.

With 14 years council experience, including mayor of Banks Peninsula, I offer a 'steady pair of hands' and proven leadership. No other mayoral candidate offers our City more

appropriate experience, skills and understanding for this important, demanding job.

I am determined to rebuild public confidence in our council. I will listen. I am a good communicator. My priorities include lowering rates, public safety, solving traffic issues (including the use of rail), focusing the Council on basic services, protecting our water, improving air quality, and protecting our heritage and garden city character.

If you want Christchurch to be a truly great place to live, with exceptional council services and a sustainable, world-class city, vote Bob Parker for mayor and help make Christchurch all it can be.
