

CHRISTCHURCH CITY COUNCIL

Election of SEVEN (7) Members of the Canterbury District Health Board

Dave CARROLL

My name is Dave Carroll

I am 58 years old, reside at Darfield and have three adult children (one deceased).

My interest in standing for a position on the CDHB is centered around my desire to achieve some accountability to the people of the areas covered by the Health Board.

My focus as an elected member would be towards

Management reporting systems and performance standards.

My background as a senior manager of The Mount Cook Group in excess of 20 years and more recently as a self employed business man has equipped me with some knowledge and business acumen of management accountability.

It is my belief that the users of the Hospital have a right to know the expectations of the Board and to be part of setting those expectations.

Having acknowledged the above would not preclude me from fully participating in the total governance of the Hospital.
