

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Hagley/Ferrymead Ward

David COX

Independent

Sitting Councillor with a love of sport and a passion for the arts and ongoing learning opportunities.

Experienced, accountable, enthusiastic and integrity are key words in my campaign with a proven record of getting things done.

My vision is for a Council viewed as affordable and progressive through prudent financial management whilst

protecting our built and natural environment.

Basic services including non-fluoridated water and our rivers and estuary protected.

Parks with children's sports grounds and play equipment are vital close to their homes and our healthy city.

Libraries and swimming pools to be affordably accessible adding to the education and enjoyment of young and old.

Support is vital for the arts including City Choir, Court Theatre, Southern Opera and Ballet, Christchurch Symphony, Showbiz Canterbury and our many sports.

Never making a promise I cannot keep.
