

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Spreydon/Heathcote Community Board

David DRAYTON

Independent Citizens

My long term vested interest in the Heathcote Ward is a result of residing in this area all my life, currently living on Huntsbury.

I have been President/Treasurer of the Huntsbury Community Centre for over thirty years, and Treasurer of the Port Hills Trust Board for ten years. Previously a Heathcote Councillor for five years and Community Board member for

six years.

I enjoy participating in and supporting sporting activities and outdoor recreation. My aim is to ensure local Community groups continue to have opportunity for input into the Community Board, and that they receive their fair share of Council funds.

I am willing to assist residents with any problems and to see that the Port Hills are retained and extended for the benefit of all Christchurch residents.

I am also an advocate of conservation of our natural resources and the re-cycling of waste products.
