

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Burwood/Pegasus Community Board

David EAST

Independent

For over 35 years I have been involved in many community organizations:

- Surf Life Saving at North Beach, Canterbury and National level;
- Shirley RFC (Coach, Chairman, President);
- Burwood - Pegasus Community Board - Independent member 1995-98;

- North New Brighton Residents Association (current President)
- Other Community Groups; New Brighton Revitalisation, Pier & Foreshore and the Sewerage Outfall Working party.

Currently I am Secretary / Manager of the New Brighton RSA

I am keenly interested in ensuring that the Eastern Suburbs receives due recognition in Council Planning, especially core functions and basic infrastructures such that we meet the Vision set out in the CCC 10 year plan

- Place where people enjoy living
- Place with great work opportunities
- An attractive place to live
- Must see for visitors
- Investment destination

I look forward to your support to be able to serve our community
