

CHRISTCHURCH CITY COUNCIL

Election of SEVEN (7) Members of the Canterbury District Health Board

David MORRELL

Health 2021

I've been a member of the District Health Board for six years, though I'm better known for my years as Christchurch City Missioner. I know from my Mission experience that health care is unevenly distributed and I remain deeply committed to more accessible and affordable services for all. Training in Porirua Hospital convinced me of the needs of the mentally ill, and currently as chair of Brackenridge Estate, I'm working to improve services for the intellectually disabled. I chair the Health Board's Hospitals' Advisory Committee, which oversees hospital services and faces major challenges to reduce waiting lists. I am completely committed to resolving this and other issues including overload at the Emergency Department and Christchurch Women's Hospital, and proper long-term Health Services Planning. I work hard and offer a rare mix of skills and experience in facing the challenges and contradictions in getting the best for our health dollar.

Conflict of Interest Statement

I state in good faith that to the best of my knowledge and belief, as at the date of my consenting to nomination that I have no conflict(s) of interest with the Canterbury District Health Board, other than that I am appointed by the DHB as chair of Brackenridge Estate Ltd (a subsidiary of CDHB) contracting with the Ministry of Health for intellectual disability services. I am a member of Anglican Care's Aged Care Committee which contracts with CDHB for residential aged care services. I am also a trustee of The Nurses' Memorial Chapel, Christchurch Hospital. I do not believe that conflict(s) of interest with the Canterbury District Health Board are likely to arise in future other than as before.
