

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Lyttelton/Mt Herbert Community Board

Dawn Te-Riaki KOTTIER

Community - First

Dawn – a life long resident of Rapaki has eighteen years Community Board experience. Passionate about people she has worked tirelessly during this time for both young and old in redesigning playgrounds, championing community safety and crime reduction, caring for youth and supporting community arts. She has sought to raise awareness about water quality within the harbour, worked for a balanced and

inclusive District plan and actively consulted with people to ensure their needs are met.

Always focusing to the future Dawn supports Lyttelton's town centre upgrade, a Child Care Centre at Diamond Harbour, proper care for our elderly and the completion of the Harbour Basin road widening programme. Dawn is easy to approach, especially with the difficult issues. This has assisted in her goal of achieving better understanding between Maori and Pakeha and reflects her commitment to bringing the principles of Kaitiaki (guardianship) to all she does.
