

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Burwood/Pegasus Community Board

Deryn TREGURTHA

Independent

I have lived in the Burwood Pegasus Ward for 35 years; first in New Brighton, then Wainoni, and, for the last 30 years, in Burwood.

In that time I have been involved with many community groups including Plunket, schools, scouts, Burwood Residents Association, Stroke Foundation, and sports clubs.

Since 1993 I have been involved with Burwood Community Fair, having run it for the past 13 years. I freely give my time, knowledge, and skills to community groups, believing that I gain as much as I give. I was presented with a Community Service Award in 2000.

I am interested in all community affairs and am keen to be elected to the Burwood Pegasus Community Board to represent the residents of the area. I am particularly interested in working towards sustainable living.

I don't believe in party politics, preferring to stand independently so that I can approach issues without any political bias.
