

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Hagley/Ferrymead Community Board

Donna ALLFREY

Independent

Community and Heritage

I am passionate about preserving our heritage buildings and ensuring our community works for the people and families represented in our ward.

Born in Christchurch, married with two boys, two dogs and have lived in the Avon Loop for 18 years, self employed artist (you'll have seen my paintings on the front of last year's phone book and in Artsmart Gallery in Sumner) and an advocate for heritage retention. I have been active in our community since my boys were babies - playcentre, fairs, PTAs, fundraisers, sports and drama. I'm an enthusiastic member of the Heritage Now Group, Avon Loop Committee and a judge this year for the Sumner Arts Society Exhibition. We all have particular passions and agitations - I'm big on strengthening Planning laws to protect heritage buildings and Community interest.

Vote Donna Allfrey to make a difference.
