

# CHRISTCHURCH CITY COUNCIL

## Election of FIVE (5) Members of the Lyttelton/Mt Herbert Community Board

---

### **Douglas Falcon Herewini COUCH**

*Independent*

A former member of Banks Peninsula Council and Lyttelton/Mt Herbert Community Board also Mt Herbert County Council, I do have reasonable knowledge of our harbour basin communities. I am a current active member for the following organisations Summit Road Advisory Committee, Governors Bay Civil Defence Operation Team, Cass Bay Reserves Committee, Lyttelton Lions Club, life

member Lyttelton Rugby Club, Community Healthy Life Style advisor for Diabetes Education. Kaumatua for both Lyttelton Main Primary School and Governors Bay Cholmondeley Childrens Home School. I do care about all generations of our local communities including their health and safety for now and the future.

My major concern at the present time is endeavouring to support two individual groups to install petrol pumps one in Lyttelton the other in Teddington, both facing difficulties gaining approved consents from two different governing authorities.

I would appreciate your support as an independent candidate.
