Eileen HALLIGAN

Christchurch City Vision

My name is Eileen Halligan, married with a great supportive family. We reside in Spreydon / Heathcote Ward. I have extensive experience within Administration and my employment has allowed me to associate and communicate with varied members of our Community at all levels.

It is my privilege to be part of dedicated, forward thinking people within City Vision, whose policies address the needs

and concerns of our Community.

I want to serve as an elected member of the Community Board and become involved in implementing City Vision's Policies working for the benefit of the Community as a whole.

I am a dedicated, hard working individual, and in particular have great empathy with the Social and Economic needs of families within our Community.

When elected to the Community Board my mandate will be to bring all Community issues before the Council and vigorously pursue implementation of policies important to our Community.
