

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Burwood/Pegasus Community Board

Elsie ELLISON

Christchurch 2021

Kia ora koutou.

I am a grandmother of two boys, mother of a teenager, as well as a writer. I enjoy meeting people and I have an excellent sense of humour. I'd love the opportunity to represent you and your issues on the Burwood/Pegasus Community Board.

I'm easy to work with, but not easily discouraged. I work hard, and will use my knowledge of how Council systems work for your benefit. I have a law degree as well as a Masterate in Business Administration.

My priorities for the next three years will be to keep rates down and monitor Council spending, to reduce graffiti, to work on youth issues and on recycling. I will work hard on environmentally-friendly improvements to City transport, and supporting all efforts to reduce air and water pollution.
