## Election of SEVEN (7) Members of the Canterbury District Health Board

---

### Errold PAYNTER

*Independent Citizens*

Errold is dismayed by the poor decisions of the present Health Board and their wasting of precious health dollars. More can be gained from the health dollars. If we look at the decision making over the Emergency Department, it makes one wonder whether the recent extension decision will be best in the long term or is it just a quick fix for the election? This should have resolved satisfactorily a long time ago.

Errold has had a broad experience at management level in construction, manufacturing and property development together with governance experience at board level of local and national organisations and assists many Not-For-Profit organizations. Errold has a B.Com degree, is a Justice of the Peace, a Life Fellow of the NZ Institute of Management, and a member of the Institute of Directors. He is completing studies in mediation.
