its progress through recognising its challenges and tackling
them

Keeping a close realistic eye on Councils spending is part of
that challenge

New Brighton, North New Brighton Community Hall, Parklands Library, QE11 the
list goes on.

Gail a company Director (currently Orion) has gained valuable experience in
financial and administration. Developing a Café “Beach” at Broad Park, Motels
etc has put this experience into practice. These skills are a valuable asset at
Council.

Fiercely Independent holding strong views on the regrettable influence of Party
Politics e.g. 2021 (Labour) Independent Citizens (National) on Christchurch
administration. The City is better for Independent non controlled Councillors.
