

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Spreydon/Heathcote Community Board

Geoff RUSSELL

Christchurch City Vision

I have lived in Christchurch all my life and am married with two daughters aged 18 and 22

I intend to support all initiatives that will make Christchurch the most desirable city in New Zealand to live.

To do this we need to be the most business friendly city in New Zealand enhanced by a high performance council committed to rates increases not exceeding the rate of

inflation.

I believe that Christchurch City Council should restrict its activities to the fundamental ones expected of a council such as drainage, water, roads, footpaths, libraries, parks and gardens, and the upkeep of other accepted public amenities.

People cannot be helped permanently by organisations, such as the Christchurch City Council, doing for them what they could and should do for themselves.
