

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Burwood/Pegasus Ward

Glenda BURT

Independent

Glenda Burt is acknowledged by Council as a leader in her community. This is largely due to her pragmatic, focused and determined attitude, her leadership, and her long record of community service in the area. On many occasions Cr. Carole Evans has asked Glenda to consider standing for Council and Glenda believes that her three terms on the Community Board has given her the skills and experience to now stand for the City Council. Glenda's belief in the value of strong, resilient communities is reflected in her work on the Community Board and in being Chair of Canterbury Neighbourhood Support. Christchurch is an amazing city and it will face many challenges in the next few years, increasing population and the provision of affordable Council services. Glenda will promote community involvement with Council and will work to ensure that our rates are used wisely,
