

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Burwood/Pegasus Community Board

Graeme GORTON

Christchurch 2021

My experience of working with diverse communities throughout the South Island as Director of the Southern Regional Arts Council, member of the Arts Board of Creative New Zealand, and inaugural Chairman of the Bromley Residents Assn., has given me the confidence to stand for the Burwood/Pegasus Community Board.

At present, I am Chairman of the Christchurch East Labour Electorate Committee, a member of Lianne Dalziel's Campaign Committee, Chairman of the Canterbury DHB's Arts for Health Trust and Administrator of the Christchurch City Choir.

I will represent the people of the Burwood / Pegasus Ward, with total commitment. I will work to ensure that the process for public consultation is open and inclusive and the Community Board is guided in its deliberations by the wishes of its residents. I will support all initiatives that protect our environment and heritage, and encourage people to contact me with their concerns.
