Election of TWO (2) Councillors for the Riccarton/Wigram Ward

Ishwar GANDA

Independent

Ishwar is a knowledgeable and experienced candidate. Ishwar has lived in the ward for 33 years and has been serving the community for many years, for his tireless work he has been rewarded with the Queen Service Honour Q.S.O. Ishwar is passionate about our Garden City and places great importance on the quality of life and family values which we can still improve, especially with our basic core service

which is needed as a result of rapid developments that are occurring all over our city.

Ishwar is committed to the retention of our city assets and to keeping our rates increases to a minimum.

There is a real need for independent councillors with good business background and experience. It is also important for a councillor to be passionate, progressive, practical and prudent with your rates.
