## Election of FIVE (5) Members of the Riccarton/Wigram Community Board

---

### **Jimmy CHEN**

*Christchurch 2021*

The Riccarton/Wigram Ward needs representatives that commit to total community consultation and have a strong grass-roots approach in the Ward's decision-making process. I am such a person.

A long-time Riccarton/Wigram resident, I hold the degrees of Master of Business Administration and Bachelor of Science. I have worked in several professions in Christchurch and abroad. I am currently a member of the Christchurch Police Asian Advisory Group, and Trustee at Burnside High School. I am also an Interpreter for NZ Police, Christchurch Courts, NZ Immigration Service, NZ Ministry of Fisheries, NZ Customs Service, NZ Department of Corrections, and both Hillmorton and Princess Margaret Hospitals. I am happily married and the proud father of two daughters. The elder is a medical student at Otago University and the younger is at Burnside High School.

I am confident that I would serve the public well as a member of the Riccarton/Wigram Community Board.
