

CHRISTCHURCH CITY COUNCIL

Election of SEVEN (7) Members of the Canterbury District Health Board

John P ALLEN

Independent

I live in Papanui Christchurch, I have thought long and hard as to why I wish to stand as an Independent and this is how I see it. Control of the hospitals should be removed from the bureaucrats and returned to the Drs and Nurses let them run their departments, stop treating them like kids, basics like cleaning should be no longer contracted out. Give the lowest paid workers a better standard of living and you may

find you have a better worker. That resources need to be put back into rural communities for example the recruitment and retention of General Practitioners. This insane drive to meet budgets, this is our families our brothers, sisters, parents we are talking about if it costs more so what, we can give millions for sports why not give staff better pay and conditions. Stop investing in bricks and mortar invest in the staff.
