| <p>Photo<br/>Not<br/>Supplied</p> | <p><b>John BURLING-CLARIDGE</b><br/><i>Independent</i></p> <p>I John (23yrs) feel the voice of the youth in the Ricc/wigram area is not being heard. I intend to be that voice. In the past it has been twisted to sound good for the person Saying it. I feel the youth is falling further from the tracks and needs not to be squashed but their energy guided to a common good.</p> <p>The views I feel strongly about is so called “boyracers”, roading and affordable housing.</p> <p>We should not forget our future is an investment in our youth.</p> |
