

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Hagley/Ferrymead Community Board

John FREEMAN

Independent

I have served on the Community Board for fifteen years. Before that I gained valuable experience on the Christchurch Drainage Board and the North Canterbury Catchment Board. I am married and have three adult sons. I gained a Masters Degree at Canterbury University. Always keen on sport, I won the Royal Marine heavyweight boxing title. Today I enjoy walking, swimming, the piano and dancing.

I belong to the RSA, All Saints Church Sumner, The Summit Road Society, and I am Patron of the Estuary Association. I am a Justice of the Peace. My priorities on the Board are to safeguard the health and safety of the community with special attention to the needs of the young and the old. The need for a safe pedestrian crossing in Redcliffs is an example. A Ward swimming pool is needed. Protecting the building character of the Ward is another priority. Ph 326-6406
