

CHRISTCHURCH CITY COUNCIL

Election of Mayor

Jo GILES

Christchurch City Vision

I am standing for the Mayoralty of Christchurch because I will lead our city forward by creating a safe city programme, by not tolerating graffiti, by capping rates through addressing council spending and listening to the needs of the community.

I have a passion for making things happen. I owned my own business when I was 19, I fought hard to become N.Z's first

female jockey, I have represented N.Z for Pistol Shooting, I compete in Motorsport and have also raised 4 fantastic children. I bring all the skills that made these things possible to the role of Mayor. I thrive on new challenges.

Instead of complaining about issues I decided to take action.

If you want a Mayor who is a good communicator, not afraid to answer the hard questions and will represent the city with honesty and integrity then vote for Jo Giles.
