

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Riccarton/Wigram Community Board

Judy KIRK

Christchurch 2021

I believe in safety, education and opportunity for all. I will work to keep Christchurch drinking water pure; to provide safe roads and safe communities where everybody lives without fear.

Like Norman and Ruth before me, I work for enhanced educational opportunity, including second chance education. I work with dyslexia among all ages and cultures

and recently graduated PhD for my study on teaching teenagers. I am privileged that people say, "You have given me my chance".

I have held leadership positions in community organisations such as Te Kupenga O Aranui, Avonhead Plunket, Inner Wheel Club of Avonhead, national positions in SPELD and Wharenui Swimming Club as coach. I've lived in a Samoan village sharing their traditions and culture.

I will act on your environmental concerns about well drained sections; clean, flowing rivers; cycleways and walkways. I will work for safe, clean, attractive communities that provide opportunities for all.
