

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Hagley/Ferrymead Community Board

Kyle CHAPMAN

National Democrats

As your Community Board representative, I will do everything within my power to make sure that I get everything done that I can to improve the living standards for this part of Christchurch. I encourage our community to take action and vote for those who are willing to hear the people and then voice their concerns and ideas. My history shows that I am a person who will stand out and make a noise when needed, and I'll support anything that makes sense. I am willing to advocate for people in need and have vast experience with community groups. I have community work training and want to use that to benefit Hagley/Ferrymead. This is your chance to make a real change, Vote Kyle Chapman. Please contact me directly with any questions or suggestions.
