

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Riccarton/Wigram Community Board

Lindsay RICHARDS

Christchurch City Vision

I am Christchurch born and bred and reside in Westmorland. I own a small commercial printing company in the city, called Grattan Print, and a storage facility in Kaiapoi. I have aligned myself to Christchurch City Vision because I believe the city needs a fresh approach to the problems that affect all of us - council spending and rates, the safety and cleanliness of our city, and traffic congestion. These issues will not go away.

They need to be dealt with in a decisive and rational fashion. I support Jo Giles and the rest of the City Vision team, and believe we have the means to affect some positive change to make Christchurch a city we can all be proud of.
