

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Spreydon/Heathcote Community Board

Lisa TONKIN

Christchurch City Vision

I am standing for the Spreydon-Heathcote Community Board and I live in Spreydon.

I work for a major telecommunications company and I am committed to Christchurch. I have a background in voiceover and entertainment work and my career has taught me that co-operation and working together are vital for any organisation.

I am new to elections but as a Community Board member I will strongly represent Spreydon-Heathcote and concentrate on making fair decisions that balance the needs of the whole community.

I have friends who have small businesses and want to ensure that Council encourage business growth by ensuring regulation is as minimal as possible.

I want to work on keeping our streets free from tagging and litter by encouraging and supporting community pride.

I am backing Jo Giles for mayor.

Vote Lisa Tonkin - Sound decisions, common sense.
