

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Riccarton/Wigram Community Board

Neville BENNETT

Independent Citizens

My vision is a sustainable city with international-quality amenities. As Environment Chair, I have had primary responsibility for our electorate's 90 parks and reserves. My 2001 platform for a park in Picton Avenue and a new Riccarton library succeeded. A new swim facility is imperative.

I have the experience to make good decisions. Now retired, I lectured in history at the University of Canterbury for 30 years and am an NBR columnist. Passionate about the environment, I am a trustee of Riccarton House and Bush.

I work hard for the community also as a JP, a Director of the Blind Foundation, and, Trustee of NZ Universities Super.

I have lived in Riccarton for 25 years. My wife, Sandy Robertson (Chair, Kirkwood School), and I have four children. My dream now is to make a better world for my grandchildren. Please re-elect me.
