

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Shirley/Papanui Ward

Ngaire BUTTON

Independent Citizens

I have a fresh positive outlook for Christchurch and believe in efficient local government making sound common sense decisions, particularly on traffic, rates and resource consent issues.

I will bring to Council vision and business acumen developed through my own personal experience of beginning, growing and operating a business in Christchurch.

As a mother of 6, youth and family issues are a primary motivating factor in my decision to invest my life in growing Christchurch into a city where future generations will have hope and a future.

I have served on the Shirley/Papanui Community Board, and Board of Trustees and Property Committee of Emmanuel School. I have been a leader and innovator of St.Albans Baptist women's support, personal growth and business groups and foundation member of Neighbourhood Trust.

My interests include Music, gardening, reading, fishing and camping with my family.

Vote for positive change

Vote for Button and Young.
