

# CHRISTCHURCH CITY COUNCIL

## Election of FIVE (5) Members of the Lyttelton/Mt Herbert Community Board

---

### **Paula SMITH**

*Independent*

I am standing to ensure Diamond Harbour, Purau, Church Bay, Charteris Bay and other communities on the south side of the harbour are well represented on the Lyttelton/Mt Herbert Community Board. This part of Banks Peninsula needs a strong advocate for the various needs of the distinctive communities.

My three children (9, 12, 14) were born in Diamond Harbour and I want to make sure they and their generation get to enjoy living here as much as I have over the last 18 years.

I trained as a botanist and landscape architect and worked for the Christchurch City Council before having children. Since then I have been the President of the Diamond Harbour Playcentre, Chairperson of the Diamond Harbour School Board of Trustees and am the chairperson of the Lyttelton Harbour Landscape Protection Association. I understand the particular needs of families and will work hard for the whole community.
