

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Shirley/Papanui Ward

Paul Edward YOUNG

Independent Citizens

As a husband and father of four, I enjoy family life.

I am actively involved in Youth and children's work and love to see young people thriving in a healthy environment.

As an experienced businessman; my senior roles include CEO for CEC, Previously Managing Director for Postie Plus and United Bank.

Qualifications include Fellow of Fin, Diploma of Banking (Distinction), BCom, Chartered Accountant.

Good decision makers need vision, leadership, strategic and business skills. I not only have a desire to make a positive difference, I have the skills and horse-power to deliver. Good intent is not good enough.

I will aggressively campaign for control on rates and question the need for the new Civic Offices being based in the Central City.

Ngairé and I have the combined skills to deliver a higher level of performance for Council.
