

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Shirley/Papanui Community Board

Pauline COTTER

Christchurch 2021

The Edgware pool campaign has taught me a great deal about local body politics; the consultation process, council structure, community issues, and the necessity for our voices to be heard. Our community worked hard to create a professional structure to achieve our goal. I believe in enjoying the journey and recognising the passion and commitment in a community.

I was born and raised in Christchurch, have been married 22 years and have lived in St Albans for 19 years with my husband and four children. I'm a company director and serve on a number of voluntary bodies.

The major roles of the Community Board are; to connect with residents, report to council, and allocate funds fairly. I come from within your community, so I believe I have the ability and drive to represent Shirley/Papanui. I will work hard to be your advocate through intelligent and open discussion.
