

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Riccarton/Wigram Community Board

Paul O'CONNOR

Christchurch City Vision

I am the owner of Paul's Cars, Christchurch. I am involved in several industry organizations. Prior to my 13 years in the motor industry I was a Military Policeman in the New Zealand Army.

I am married with three children and with a successful business I would like to further contribute to the community.

I am fiscally prudent and sensible with other people's money and always treat it as though it was my own. I have lived in several places in New Zealand and firmly believe Christchurch to be the best place to live and raise a family. I am a keen lower grade sportsman and coach. I appreciate the opportunities Christchurch provides. I would like to contribute to the improvement of my community and would the opportunity to represent his ward. If you are wanting a responsible person to represent the area I would like your vote.
